

JOB POSTING

Job Title: Electrical Assembly Associate
Reports To: Department Supervisor

Job Summary:

Cambridge Elevating, the premium residential elevator manufacturer, has a full-time position available.

Electrical/electronic experience is preferred, but we have a high emphasis on a strong work ethic, attendance, punctuality and a positive attitude. We foster a team environment which only succeeds when everyone is pulling their weight. **If you do not possess these, please do not submit an application.**

Day shift only (7:30 a.m.- 4:00 p.m.) plus paid overtime when required.

Primary duties and responsibilities:

- Cut, strip, fork & ferrule wire for harnessing in systems
- Wiring & soldering sub-assemblies
- Assembling controller boxes
- Testing complete systems
- Troubleshooting failed tested systems
- Modifying mechanical assemblies with hand tools
- Keeping up with a fast-paced schedule while completing the work correctly
- Follow build instructions to build correct configuration for each job
- Help track inventory to identify parts that need to be ordered
- Interpret and/or modify wiring templates on AutoCAD

What You Offer:

- Electrical/electronic training, the ability to assemble to an electrical drawing and any hands-on manufacturing experience should be highlighted in your application.
- Must be familiar with hand tools and able to work from samples and drawings
- Must be able to follow work instructions with a very high attention to detail
- Ability to understand wiring diagrams is preferred
- Must be driven to do things correctly the first time, but keep pace with team goals
- Must be able to lift 40lbs
- Must have a strong work ethic, punctual, with a good attitude
- Must be adaptable to changing job requirements
- AutoCAD and electrical experience is preferred

What We Offer:

- Salary range: \$14-16 based on experience
- Comprehensive benefits after 3 months employment
- 2 weeks vacation eligibility after first year
- RRSP matching program eligibility after first year

All applicants must be authorized to work in Canada. No phone calls please.

Please email seanm@cambridgeelevating.com with your résumé and cover letter.
